

The simplest GIRO Application ever

DBS Direct Debit Authorisation Services

Paperless banking experience.
Hassle-free GIRO application process.
Quick way to bill your customers.

At DBS, we offer solutions to make banking with us easy.

Enjoy these benefits when you use our DBS AXS Direct Debit Authorisation (xDDA) Services:

Convenience & Accessibility

- 24/7 access on over 550 AXS Stations island-wide
- Secured authentication
- Simplified application process

Greater Efficiency

- Immediate setup and confirmation for customers
- Interactive system provides upfront validation
- Automated error-checking greatly reduces application mistakes

Easier Reconciliation

- Electronic updates of successful DDA applications provided
- Eliminates manual updating and tracking
- Facilitates business reconciliation process

Fast Turnaround Time

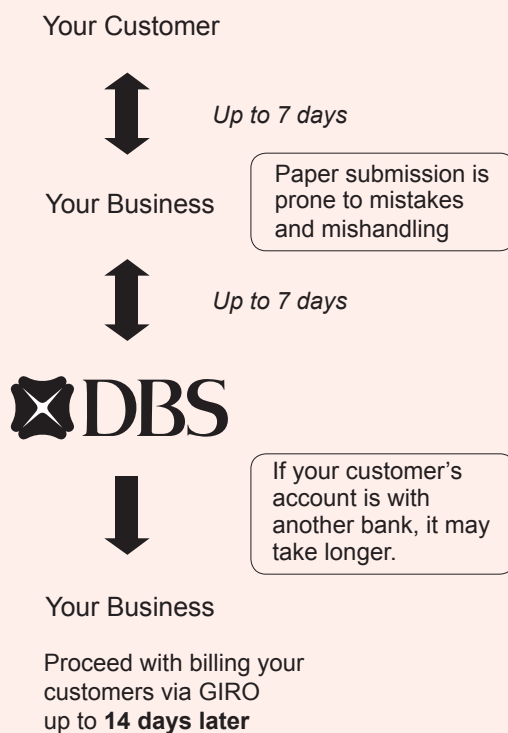

- Reduction in DDA setup time
- DBS GIRO Collection can start within days, not weeks

What is *x*DDA?

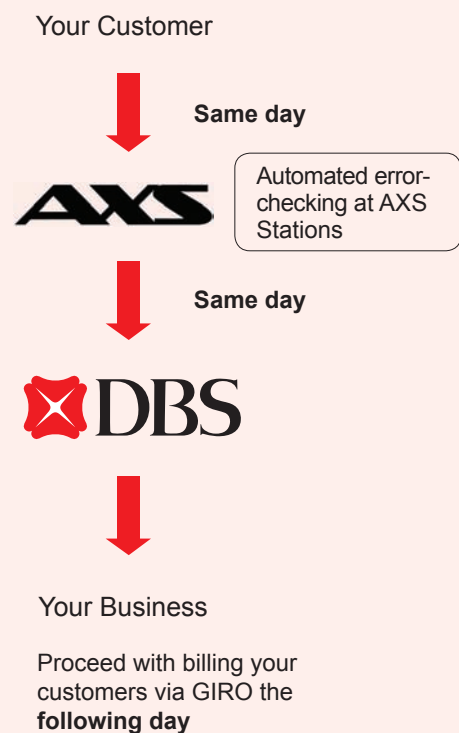

AXS Direct Debit Authorisation (*x*DDA) Service is our newest DDA / GIRO Application Service, available via AXS Stations.

DBS *x*DDA Service is **immediate**. The application is submitted by your customers at any AXS Stations and it is approved on the spot. You can start billing your customers the following day.

Paper GIRO Application

DBS *x*DDA Service

Additional DDA Services

In addition to *x*DDA, we also offer the following DDA services:

- Electronic Direct Debit Authorisation (*e*DDA) – via NETS Terminal
- Internet Direct Debit Authorisation (*i*DDA) – via DBS Internet Banking

Both these services are just as easy and fast as *x*DDA. Sign up now and you will never want to use paper GIRO applications ever again.
